“The Law That’s Saving American Fisheries: The Magnuson-Stevens Fishery Conservation and Management Act”
Pew Charitable Trusts and Ocean Conservancy
2nd printing

- Page 13 Beneath the graph titled “Status of U.S. fish stocks, 1997-2012,” replace “% Stocks experiencing overfishing” with “Number of stocks experiencing overfishing,” and replace “% Stocks overfished” with “Number of stocks overfished.” Remove percent signs from all figures on the right side of the graph’s y-axis.
- Page 20 Include new footnotes in the chart titled “Rebuilt Fish Stocks,” specifying that the Haddock stock rebuilt in 2010 is located in Georges Bank, and the Haddock stock rebuilt in 2011 is located in the Gulf of Maine.
