EVENING

- Networking Hour

June 19

2024

9:00 a.m. - 5:30 p.m.

ALL DAY - CITY PRESENTATIONS

- Urban Ocean city leaders will present projects they are advancing to address plastic pollution and gaps in their waste management systems, and the type and amount of support required to successfully implement solutions.

EVENING

- Networking Hour

June 20

2024

9:00 a.m. - 12:00 p.m.

MORNING

- City leaders and partners will attend a site visit to a pilot project in a neighborhood where a waste separation campaign has been supported with door-to-door education, collaborations with private waste haulers, and installation of compost bins for resident use.
